Subject: MB Docket No. 04-233

I am writing to you on behalf of our local TV station, WVVA, and our Veterans organizations that I belong to. Blue-Gray Chapter 628 of the Vietnam Veterans of America have relied very heavily over the years on WVVA getting our PSA's out to the people in our area. For example we sponsor a Veterans Day dinner for all veterans and their families, free of charge, Memorial Day we set up a rest stop for travelers, passing out free coffee and snacks, and numerous other projects like bringing in the Moving Wall, building a Vietnam Veterans memorial. WVVA covers and has covered all these events on a continuous basis. As stated before they stay very much involved in local issues.

I see no reason to instill new rules on local programming that would probably do more harm than good. I have always been a firm believer if its not broke don't fix it.

Sincerely,

*Edward M. Taylor*
